Inmate John Loeffler assigned to the Nebraska State Penitentiary died at 1:13 A.M. on April 22, 2015. Mr. Loeffler, 52, began serving a 26 – 50 year sentence on June 22, 1992 for Robbery (2cts) and Use of Firearm to Commit Felony (Douglas County). His Parole Eligibility Date was December 15, 2004 and Tentative Release Date was December 15, 2016.

At approximately 2:45 P.M. on April 20, 2015, Mr. Loeffler was found unresponsive in his cell. Staff immediately called 911 and began administering CPR. Mr. Loeffler was transported to Bryan Hospital by Lincoln Fire and Rescue.

As is the case whenever an inmate dies in the custody of the Nebraska Department of Correctional Services a grand jury will conduct an investigation.
