ORDERING GUIDE

CONTACT US AT
1-800-348-7537

CONSULTATION

We'll start by talking about your project over the phone or in-person.

EXPLORATION

Review the product catalogs, or visit our showroom to see some of our products in person.

SCHEDULE A VISIT

We can visit your space to better understand your needs.

GET THE DETAILS

We'll gather all the relevant information needed to create a solution for you.

RECEIVE A QUOTE

We'll provide you with an official quote for the products and services you've chosen.

DESIGN YOUR SPACE

If applicable, we will measure your space and create a detailed, computer-generated design.

PLACE THE ORDER

We'll walk you through the ordering process and assist you with all the details.

ESTIMATED DELIVERY

We'll give you a clear, estimated timeline for when you can expect your products to arrive.

POST-DELIVERY FOLLOW-UP

We'll check in with you after delivery to make sure everything is perfect.
