

**How will the State be paid for the reimbursable public assistance it gave to me if I checked the block called Initial Payment Only?**

If I am found eligible to receive SSI money, SSA will send my first retroactive SSI payment to the State or an amount equal to the amount of reimbursable public assistance the State gave to me when law restricts the manner in which my SSI money can be released to me. The State may:

- Deduct from my first retroactive SSI payment the sum of all State public assistance benefits made to, or on behalf of, me by the State in situations when law does not restrict the manner in which my SSI money can be released to me, or
- Have SSA to send it an amount equal to the amount of reimbursable public assistance the State gave to me when law restricts the manner in which my SSI money can be released to me, for months beginning with:
  - the first month for which I am eligible to receive an SSI payment and ending with, and including:
  - the month my SSI payment begins, or the following month if the State cannot promptly stop making its last public assistance payment to me.

The State cannot be reimbursed for assistance it gave to me if that assistance was financed wholly or partly from Federal dollars.

**How will the State be paid for the reimbursable public assistance it gave to me if I checked the block called Initial Posteligibility Payment Only?**

If I am found eligible to receive SSI money, SSA will send my first retroactive posteligibility SSI payment to the State or an amount equal to the amount of reimbursable public assistance the State gave to me when law restricts the manner in which my SSI money can be released to me. The State may:

- Deduct from my first retroactive posteligibility SSI payment the sum of all State public assistance benefits made to, or on behalf of, me by the State in situations when law does not restrict the manner in which my SSI money can be released to me, or
- Have SSA send it an amount equal to the amount of reimbursable public assistance the State gave to me when law restricts the manner in which my SSI money can be released to me, or months beginning with:
  - the day of the month I again become eligible to receive an SSI payment following a period of suspension or termination, and ending with, and including:
  - the month my SSI payments resume, or
  - the following month if the State cannot promptly stop making its last public assistance payment to me.

**Can the State use this authorization for an Initial Payment of SSI benefits and an Initial Posteligibility Payment of SSI benefits?**

No. I am authorizing the State to use this form for only one payment event. If both payment blocks are checked, this form is not binding on the State or me. If both blocks are checked, the State and I must sign a new form with only one of the payment blocks checked.

**Does this authorization serve as a protective filing for SSI benefits?**

Yes, if I checked the Initial Payment Block, signing this form serves as a signed statement of my intention to claim SSI benefits if I have not filed an SSI application as of the date this authorization is received by the State. My eligibility for SSI benefits may begin as early as the date I sign this form if I file an application at a social security office for SSI benefits within 60 days after that date. This form also serves as a notice from SSA that I have sixty days from the date the State receives this form to file for SSI Benefits. However, if I do not file an application for SSI benefits at a Social Security Office within 60 days after that date, then I understand that I cancel my intention to claim SSI benefits and this authorization no longer protects my filing date for SSI.

**How long is this authorization binding on the State and me if I checked the Initial Payment Block?**

If I check the Initial Payment Block, this authorization is binding on the State and me for one calendar year beginning with the date the State received it. If the State does not notify SSA within thirty (3) calendar days of the date that I signed this authorization it is not binding on the State or me. Also, this form must be signed and dated by both a State representative and me to be a valid agreement that authorizes the State to receive interim assistance reimbursement from my SSI payments. However, if I have already applied for SSI before the State received this authorization, or I apply for SSI within one calendar year of the date described above, or I file a timely request for an administrative or judicial review within the time permitted under SSA's regulations, this authorization will remain in effect, even if beyond the one calendar year period, until such time as:

- SSA makes the initial SSI payment on my initial claim; or
- SSA makes a final determination on my claim; or
- The State and I both agree to terminate this authorization.

**How long is this authorization binding on the State and me if I checked the Initial Posteligibility Payment Block?**

If I checked the initial Posteligibility Payment Block, this authorization is binding on me and the State for one calendar year beginning with the date the State received it. If the State does not notify SSA within thirty (30) calendar days of the date that I signed this authorization, the authorization is not binding on the State or me. Also, this form must be signed and dated by both a State representative and me to be a valid Agreement that authorizes the State to receive interim assistance reimbursement from my SSI payments.

However, if I file a timely request for an administrative or judicial review within the time permitted under SSA's regulations, this authorization will remain in effect, even if beyond the one calendar year period, until such time as:

- SSA makes the initial SSI posteligibility payment following a suspension or termination of my SSI benefits; or
- SSA makes a final determination on my appeal; or
- The State and I both agree to terminate this authorization.
