Tecumseh State Correctional Institution Inmate Dies

(LINCOLN) – Aslin Nabarro, inmate #78859, was found unresponsive in his cell today at approximately 3:54 a.m. and pronounced dead at approximately 4:50 a.m. today, May 9, 2016. Nabarro was serving 30 to 40 years for attempted 1st degree murder. His sentence began on September 26, 2013, and he had a projected release date of August 24, 2033. Mr. Nabarro was 44-years old.

While cause of death has not been determined, initial reports indicate suicide. As is the case whenever an inmate dies in the custody of the Department of Correctional Services, a Grand Jury will conduct an investigation.
