Nebraska State Penitentiary Inmate Dies

(LINCOLN) – Randolph K Reeves (60), inmate #33787, died at approximately 11:28 p.m. yesterday, May 18, 2016. Reeves was serving a life sentence for two counts of 1st-degree murder. His sentence began on September 11, 1981, and he had no projected release date.

While cause of death has not been determined, initial reports indicate natural causes. As is the case whenever an inmate dies in the custody of the Department of Correctional Services, a Grand Jury will conduct an investigation.
