- a. NO visitors will be permitted to visit prior to submittal of the authorized visiting forms and approval by the Warden/designee. False or incomplete information on this form will result in a denial of visiting privileges.
- b. It is the responsibility of each inmate to initiate the visiting process. Inmates may obtain Visitation Request Forms (VRF) (Attachment 2) from their Unit Case Managers/Unit Caseworkers and mail them to those

persons they desire to have placed on their approved visiting list. Each visitor must complete a VRF and return it to the institution for processing. VRF's should be mailed to the attention of the Pass Clerk.

The Unit Manager reviews the entire visitation request and approves or denies the request. The Visitation application is then forwarded to the Pass Clerk for final processing.
- f. If APPROVED by the Unit Manager: The Pass Clerk enters the new visitor on the inmate's visiting card. The Pass Clerk also updates the computer database and completes and signs the disposition section of the VRF, returning the receipt to the inmate. ## 2. Limitations

Only the institution's schedule, space limitations, personnel requirements, and security considerations shall limit the number of visitors an inmate may receive

and the length of the visits. Inmates shall not be denied access to visitation with persons of their choice except where there is clear and convincing evidence that such visitation would jeopardize the safety and security of the institution (4-4498).

a. Number/Space

- (1) There shall be no limit to the number of visitors an inmate may have on his authorized visiting list. Visitors will not be granted permission to visit prior to submitting a VRF and its approval. Exceptions can be made with approval of the Deputy Warden/designee.
- (2) An inmate may have up to four adults visiting him during any one visiting period. There may be 4 minors present as long as they are supervised by one adult visitor. If it is necessary for more than four minors to visit, it must be approved in advance on a special visiting form. OCC reserves the right to impose reasonable restrictions on the number of visitors who may visit an inmate at any one time to prevent overcrowding in the visiting room or to eliminate difficulties in supervising the visits.
- (3) Visitors who leave the institution during a visit shall not be permitted to return and resume their visiting privilege for that day.
- (4) Once an inmate completes a visit by leaving the visiting room, his visits for that day are terminated.
- (5) Visitors will not be authorized to be on the visiting list of more than one inmate housed within NDCS. Two exceptions to this policy are as follows:

d. Criminal Records

- (1) Persons with criminal records will not automatically be excluded from visiting. In determining whether or not to approve a person with a criminal record, the nature and extent of that person's total criminal record, plus his/her history of recent criminal activity shall be weighed carefully against the benefits of visitation. The Warden shall retain final authority to review, assess and approve/deny applications to visit. Appeals of denials to visit must be submitted in writing to the Warden.

Note: Failure to list previous criminal convictions on the VRF can result in denial of visiting privileges.

- (2) Generally, parolees, probationers, or persons having pending charges will not be granted permission to visit during service of sentence and persons with felony convictions will not be granted permission to visit for three years after expiration of sentence, except for immediate family who may be considered at the end of one year. Persons with a misdemeanor conviction will not be granted permission to visit for six months after expiration of sentence. Immediate family may be considered after three months.

- (3) An exception may be made for a spouse/immediate family member who may be allowed to visit once a month by approval from the Warden. It will be the responsibility of the spouse/immediate family member on probation/parole to provide a letter from their supervising probation/parole officer recommending either approval or denial of visiting privileges. This letter must be submitted with the VRF.
  - (4) The Warden must approve/deny all VRF's submitted by the victim of a violent offense, if such information is known to institutional staff. Generally, the victim of a violent offense will not be granted permission to visit. Exceptions may be made with a spouse/adult immediate family member, who may be allowed to visit once a month with approval from the Warden.
  - (5) An NCIC check to verify identity and ensure the accuracy of the information will be done on all visitors (both adults and minors from age 8 and up).
  - (6) Immediate family members who have pending misdemeanor/felony charges may be considered for monthly visits pending resolution of the charges.
  - (7) Visiting lists of inmates who are paroled, or on escape status or on bond will be deleted from the record. The records office will stamp all current visitor application forms in the classification file "Deleted". If the parolee is revoked, he will be required to resubmit a VRF for processing.
  - (8) Any person shown by substantial evidence to have a harmful or deleterious effect on the inmate or who constitutes a threat to the good order and security of the institution shall be excluded from an approved visiting list.
- e. Generally, prior employees will not be granted permission to visit except with immediate family members. All Visiting Request Forms received from prior employees must be submitted to the Warden for review. The Warden may deny the visitation request based on safety/security concerns specific to the individual requesting to visit. If the Warden is not aware of any safety/security concerns specific to the individual requesting to visit, a recommended disposition shall be submitted to the Director/designee for final approval. The Director/designee may deny the visitation request based on safety/security concerns specific to the individual requesting to visit.
- f. For instances where the prior employee is attempting to visit an inmate who is not an immediate family member the following will be considered:
- (1) The nature of the prior employees relationship to the inmate
  - (2) The length of time the visitor has known the inmate
  - (3) Circumstances or reason for employment separation including eligibility for re-hire, intelligence reports, investigations, and violations work rules during employment
  - (4) Any investigation or intelligence information received after employment separation

(1) All visits will be conducted as special visits, since the employee will not be approved for placement on the regular visitation list. Both the employee and the inmate should be advised and confirmed in writing that the visits will be on a once per-month basis and will be scheduled at the institutions discretion.

The Pass Clerk will also add the information to the Visitor Tracking database for the record. A special visit may be extended with the permission of the Unit Administrator.

Extended visits must not interfere with counts, security measures or emergencies and must take place during regular business hours or normal visiting hours. Extended visits and visiting hours are subject to the approval of the Warden; denials shall be based on safety/security concerns specific to the individual extended visit request.

If approved, the "form" will be forwarded to the Pass Clerk where it will be kept on file until the requested visiting day arrives. If denied, the white copy will be forwarded to the Records Department, the pink copy will be forwarded to the inmate's Unit Case Manager, and the yellow copy forwarded to the inmate.
- c. If the visitor does not arrive on the expected day the Pass Clerk will note on the form that the visitor failed to show. The Pass Clerk shall then sign his/her name to the form, date it, and forward it to the Records Office for filing in the inmate's permanent record file. The Pass Clerk will also add the information to the Visitor Tracking database for the record. A special visit may be extended with the permission of the Unit Administrator.
- d. If a visitor arrives at OCC who was not expected by the inmate but who is otherwise eligible for extended visits (as described above), the Shift Supervisor or higher authority shall make the decision whether or not to allow that person to visit.
- e. Approval for monthly special visits will have such annotated on NICaMS Visitor Tracking by the Pass Clerk and the Special Visitor Request form need not be submitted.

## 3. Emergency Visits

An emergency visit may be considered for instances of a verifiable death or critical illness to an inmate's immediate family and may include a visit during non-visiting hours and/or extended visits during regular visiting hours. Emergency visits are subject to the approval of the Warden; denials shall be based on safety/security concerns specific to the individual emergency visit request.

In cases of a verifiable death of critical illness to an inmate's immediate family, the inmate shall be notified as soon as possible (Attachment 3).

## E. Restrictive Housing Inmate Visits

### 1. Immediate Segregation

Immediate Segregation occurs when an inmate needs to be segregated due to the risk to the safety, security and good order of the institution. Inmates in this status shall have similar visiting privileges as those afforded to the general population. OCC shall allow these visits at the following times:

Saturday 2:10 p.m. to 3:50 p.m. processing ends at 2:45

If such a record exists, the person reviewing the record will list the information on the Inmate Summary of Crimes Against Minors. (Attachment 6).
2. Once the inmate has been identified, the NiCaMS for "prior contact with a minor" will be updated. This entry will automatically update the NiCaMS classification study and the visitor's list databases. In addition the records office will have a red-inked stamp titled "contact with minor" and will stamp the front cover of the inmate file. This information shall also be placed on the inmate visiting card.
3. The Warden shall have the authority to impose visiting restrictions on identified inmates on a case-by-case basis. The Warden will indicate restrictions on the Crimes Against Minor-Aged Children form (DCS-A-adm-105) (Attachment 7). Actions may include restricting these inmates to visiting minors at designated times and/or designated authorized areas, excluding visitors under the age of 19 from the inmate approved visiting list, and/or suspension of all visiting privileges until the inmate has received treatment intervention. Identified inmates will have **no** physical contact with minor-aged visitors. The visits shall be closely monitored by visiting room staff. Any violation of this policy will result in immediate termination of the visit, removal of the inmate and the visitor from the visiting area, and the issuance of a misconduct report. Penalties imposed against inmates will be consistent with agency disciplinary procedures. Actions imposed on visitors will be handled administratively by the Warden as referenced in the Visiting Restriction Guidelines. Factors considered in making the above determination may include, but are not limited to, the following considerations.

Based on the severity of the incident, the Warden/designee has the discretion to suspend visitation on the first offense for all rules violated (attached exclusions may range from denial of visiting for the day, suspension of visiting for a specified period, or indefinite removal from the approved visiting list.) A violation that poses a significant risk to security or injury to another person can result in an immediate and permanent restriction. Permanent removal shall only occur with the written approval of the Warden. Visiting suspensions shall occur by stating that fact in a letter to the person and citing the reasons. The statement of reasons may be deleted if it would jeopardize the security of the institution or the safety of any individual. The inmate involved will receive a copy of the letter.

- e. If a Visiting Room Officer observes behavior between an inmate and a visitor which is inappropriate or disruptive, that officer shall contact the Shift Supervisor and inform him/her of the situation. The Shift Supervisor shall make the decision whether or not to terminate the visit. If the Shift Supervisor determines that the behavior on the part of the visitor was serious enough to merit suspension of visiting privileges, they shall cite available information on an Incident Report Form (Attachment 11) with a recommendation for suspension of visiting privileges and submit it to the Major's office. If the Major concurs the report and recommendation will be forwarded to the Unit Administrator. The Unit Administrator will then forward all information to the Deputy Warden for a final decision.
- f. Modification  
  
The Warden may modify the condition of the visit based on results of any part of the search procedures. For example, a positive indication from a canine search. Additionally, behavior on the part of the inmate or the visitor may require a modification.
